

ASTAR 2026

ARIES School for Training in Atmospheric Research (ASTAR)

1st December – 7th December 2026

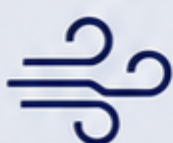

ARIES, Nainital

ASTAR is an **annual training programme** designed to provide high-quality knowledge and hands-on experience in key areas of atmospheric research for young students and researchers.

Trace Gases
and Aerosols

Atmospheric
Dynamics

Remote
Sensing

Atmospheric
Modelling

TOPIC COVERED

HIGHLIGHTS

- ▶ Hands-on sessions on data processing
- ▶ 7-days project work
- ▶ Visit to ARIES facilities
- ▶ Interactive sessions with ARIES faculty, postdocs and PhD scholars

Last date to apply – **20th Sept, 2026**

ELIGIBILITY CRITERIA

- ▶ M.Sc. (Physics / Atmospheric Sciences / Earth and Environmental Sciences)
→ First / Second year
- ▶ Integrated M.S. (Physics) → Fourth / Fifth year
- ▶ B.Tech / B.E. in Engineering Physics / Civil Engineering (from an AICTE-recognized institution) → Fourth year
